

**WE'RE READY TO HELP YOU EXPLORE  
THE POSSIBILITIES OF RECYCLING YOUR  
HALYARD\* STERILIZATION WRAP.**

Halyard Health has developed a step-by-step program to assist your facility in successfully recycling HALYARD\* WRAP. We Call it **BLUE RENEW\***.

Medical facilities across the United States are now recycling their used, clean HALYARD\* WRAP, made from recyclable #5 polypropylene fabric. And there are recycling partners in your area who can help you do it, too.

**Learn more about how you can BLUE  
RENEW\* by contacting your Halyard  
representative today!**

**ARE YOU READY TO BLUE RENEW\*?**

When you can answer YES to these questions, you're ready to BLUE RENEW\*!

1. **Does your Halyard Representative know you want to recycle your HALYARD\* STERILIZATION WRAP?**
2. **Is your OR Manager supportive?**
3. **Is there a "Green Team" representative from the OR?**
4. **Do you have the cooperation of your Environmental Services group?**
5. **Do you have the backing of your facility's leadership?**

If so, we can help you take the next steps on your journey to recycling.

**KEY PARTNERS FOR SUCCESS:**

- HALYARD\* BLUE RENEW\* Team
- OR Champion
- EVS Champion
- Your Facility's Leadership
- Your Internal Green Team
- Waste Hauler
- Recycler
- Quality Processor
- Plastic Molder/Manufacturer

Your HALYARD\* BLUE RENEW\* Team can assist you in understanding the components needed to successfully recycle HALYARD\* Wrap.

**A BLUE RENEW\* LIFECYCLE**

After HALYARD\* Wrap has completed its first purpose of keeping the contents of your wrapped packages sterile, it's ready to begin a second life with BlueCON Resin™ Products. Derived from Halyard's BLUE RENEW\* Recycling Program, BlueCON Resin™ Products include distribution and product totes, garbage cans, bedpans and wash basins.

**IMPORTANT:** It is the responsibility of your facility to initiate the recycling program, train your staff, and monitor the cleanliness and safety of all material leaving your facility. Halyard Health assumes no responsibility for material placed in the waste stream.

**YOUR BLUE RENEW\* PROGRAM INCLUDES:**

- **BLUE RENEW\* Overview**  
To help explain the program to your team
- **BLUE RENEW\* Checklist**  
Step-by-step guides for each element of the program
- **Dedicated BLUE RENEW\* Team**  
To answer questions and provide assistance each step of the way
- **BLUE RENEW\* Program Posters**  
To encourage your team's compliance in segregating wrap and to maintain enthusiasm about the program
- **BLUE RENEW\* Collection Bin Labels**  
To clearly identify where to place used, clean HALYARD\* WRAP
- **BLUE RENEW\* Approved Vendors**  
To complete your successful recycling program

Halyard Health is a founding member of the Healthcare Plastics Recycling Council and an active member of Practice Greenhealth.
